

# Albrecht Dürer

Matt FineArt – textured

210 gsm, 50% Cotton, 50%  $\alpha$ -Cellulose, white, mould-made

## Product Description

Albrecht Dürer – a white, 50% cotton, 50%  $\alpha$ -cellulose paper – guarantees archival standards. The mould-made watercolour paper features a distinct textured surface. With its premium matt inkjet coating Albrecht Dürer meets the highest industry standards regarding density, colour gamut, colour graduation and image sharpness while preserving the special touch and feel of genuine art paper. Compatible with pigmented and dye inkjet systems.

## Applications

Photographic and fine art reproduction complying with highest archival standards, digital art, black & white and colour photography, limited edition prints, presentation prints for display purposes and exhibitions, albums, greeting cards etc.
